

⚠ FIRE/EXPLOSION HAZARD

BEFORE USE

1. Check cylinder and torch seals. Never use with damaged or missing seals. Discard cylinder if dirt or rust particles are in valve area.
2. Turn off torch.
3. Hold cylinder upright while attaching torch.
4. Attach cylinder outdoors away from pilot lights, flames, sparks, and other ignition sources. They can ignite leaking gas. No smoking.
5. Hand tighten only. Never use tools to tighten. Over-tightening can damage seals.
6. Check for leaks. Put soapy water on connections. Look for bubbles. Listen for hiss of escaping gas. Feel for extreme cold. Smell for rotten egg odor. Do not use if leaking.
7. Read and follow torch instructions.

DURING USE

1. Use upright to prevent flare-ups or flashes. Never drop or throw cylinder.
2. If torch sputters or flares up, turn cylinder upright and turn off torch. Vent area to remove unburned gas. Slowly turn on. After hearing slight hiss, re-light.
3. Never use near pilot lights, flames, sparks, and other ignition sources. They can ignite leaking gas.

AFTER USE

1. Turn off torch. Let cool.
2. Detach torch when not in use.
3. Detach outdoors away from pilot lights, flames, sparks, and other ignition sources. They can ignite leaking gas.
4. Replace cap to keep valve clean.

LEAKING GAS FIRE

Do not extinguish, unless leak can be stopped safely. Eliminate all ignition sources if safe to do so. Let cylinder burn out.

CARBON MONOXIDE HAZARD

Burning Butane-Propane gas makes Carbon Monoxide (CO). CO is invisible, has no smell and can kill you. Burning LPG based gas in a tent, camper, van or other enclosed area can be dangerous.

1. Use only in well ventilated areas. If you experience headache,
2. Never use where people are sleeping.
3. Follow appliance instructions for proper use.

HANDLING & STORAGE

1. Keep out of reach of children.
2. Never expose cylinder to heat, sparks, or flame. Never leave in direct sunlight. Never store at temperatures above 49°C.
3. Never store in living spaces. Store in well-ventilated place.
4. Never refill this cylinder. Refilling may cause explosion.
5. Never put in luggage or take on trains or aircraft.
6. To discard, contact local refuse hauler or recycling center. Never put in fire or incinerator. Do not puncture.
