

PROPANE TORCH KIT

Basic Torch

PART No. TS3500TK
BASIC TORCH KIT

The Bernzomatic® Basic Torch Kit includes one Basic Torch and one 14.1 oz Bernzomatic Propane cylinder. The Basic Torch offers an adjustable, webbed flame and hassle-free, trigger-start ignition. It is equipped with an ergonomic grip and a pressure regulator, allowing for tilted use. This torch works best for regular household repairs and DIY projects, thawing and melting, small diameter soldering, woodworking and lighting grills.
